RED CHILLI – A NORM-BREAKING RESTAURANT WITH A MISSION

ZhongGuo (China) in Chinese means the Centre Kingdom. It reflects how the Ancient Chinese related themselves to the World. With written history dating back to 2591B.C. and a total land area of 9.6 million square kilometres, China definitely has a lot to offer. Apart from the four great inventions, paper making, typography, gunpowder and the compass, another proud heritage of China is its cuisine. Red Chilli is a restaurant with a mission - to enhance your experience in Chinese food, looking after your pocket, stomach and soul. We specialise in the finest Beijing and Sichuan dishes. All our chefs are well trained with experience gained from various Chinese embassies and five star hotels. Our menu is compiled with an appreciation of customers various experiences and adventurous spirit in Chinese food. Our decor is contemporary with the depth of Chinese culture. Armed with the well compiled menu, an 'exemplary' wine list and norm breaking decor, Red Chilli is set in a class of its own. Remember, you've tried it first and have it all at Red Chilli.
